FINANCIAL POLICIES

In consideration for the professional services rendered now in the future, the undersigned hereby agrees to pay 18% interest per annum on all balances which are unpaid sixty (60) days after the services are rendered; plus attorney’s fees which are hereby stipulated to be 33 1/3% of such outstanding balance whether suit is filed or not; plus court costs. If the undersigned fails to promptly pay for the services rendered, the undersigned authorizes the release by or to any credit reporting agencies of personal credit information on the undersigned and further agrees to pay all costs of obtaining such credit information and/or locating the undersigned, as may be necessary. Checks returned by your bank, for any reason, are subject to a \$50 bank processing charge in the addition to the amount of the returned check, in form of cash, money order or credit card. As a **courtesy** to our patients upon presentation of valid insurance coverage we call the insurance company to obtain verification of eligibility. We also ask for a basic breakdown of benefits. It is in the patient’s best interests to be fully aware of their individual policy as the information provided to us is not always indicative of their personal policy.

The undersigned understands that Dental Insurance claims may be billed by the provider, as a **courtesy**, if the provider participates in the patient’s insurance plan. The undersigned is fully responsible for all sums due whether or not insurance coverage is available.

Unfortunately this is no guarantee that the insurance company will pay for services. Our responsibility is to provide all accurate and pertinent information pertaining to the services provided to the insurance company. It is always patient’s responsibility to provide us with accurate and current information regarding their effective insurance policy.

Based on services performed and treatment needed we can provide an estimate of the insurance coverage payment, however, this is only an estimate we cannot guarantee its accuracy. Many insurance policies have hidden clauses that allow for rejection or alteration of claim. If there is a problem with enrollment or coverage it is the patient that must approach the insurance company themselves. We will as a courtesy resubmit any previous claim, with the understanding that there are time limitations and many insurance companies will not consider a claim if too much time has passed from original date of service.

If for any reason the patient’s insurance does not pay it is ultimately the undersigned that is responsible for all sums for services performed.

In the absence of prompt payment, the undersigned understands that medical, personal, and financial records concerning these professional services will be released to the provider’s attorney for collection. The attorney will act as the providers “Business Associate” in compliance with the federal “Health Insurance Portability and Accountability Act.”
